

nutritionDay

WORLDWIDE

MEDICAL UNIVERSITY
OF VIENNA

nutritionDay is a joint project of the European Society of
Clinical Nutrition and Metabolism (ESPEN) and of the
Medical University of Vienna

CERTIFICATE

**Klinik für Gastroenterologie, Hepatologie und
Transplantationsmedizin am Universitätsklinikum Essen**

has participated in **2025**
in the annual worldwide **hospital nutrition benchmarking program**
and fulfilled the criteria to obtain this certificate.

nutritionDay is a 1-day audit which allows comparison between similar
hospitals and supports knowledge and awareness on nutritional care
for hospital patients.

We acknowledge the contribution of

Station Gastro 1

in improving nutritional care in hospitals by participating in **nutritionDay**.

Prof. Michael Hiesmayr
nutritionDay project Leader
